## **ARTICLE I AGREEMENT**

Whereas the Independence Teachers' Association and the Board of Education of the Independence Community School District have reached certain understandings, which they desire to confirm in this Agreement, the parties hereto agree as follows:

## **ARTICLE II RECOGNITION**

### **A. UNIT**

The Board hereby recognizes the Independence Teachers' Association as the exclusive bargaining representative for the employees of the Independence Community School District as set forth in the Public Employment Relations Board (PERB) Order of Certification in Case Number 70 issued on the 20th day of August, 1975, as same has been amended.

### **B. DEFINITIONS**

1. The term "Board", as used in this Agreement, shall mean the Board of Education of the Independence Community School District or its duly authorized representatives.
2. The term "employee", as used in this Agreement, shall mean all persons included in PERB Order of Certification in Case Number 70 as amended.
3. The term "Association", as used in this Agreement, shall mean the Independence Teachers' Association or its duly authorized representatives.

## **ARTICLE III GRIEVANCE PROCEDURE**

### **A. DEFINITIONS**

#### **1. Grievance**

A grievance is a claim by an employee, or group of employees, within the bargaining unit or Association that there has been a violation, misinterpretation or misapplication of any provision of this Agreement.

#### **2. Grievant**

A "grievant" is that person or persons or the Association making the claim.

## B. PROCEDURE

### 1. Informal Procedure

In the event an employee or employees believe there is basis for a grievance, the employee or employees shall first orally discuss the proposed grievance with the appropriate principal. If the Association is the grievant, a representative of the Association shall discuss the proposed grievance with the Superintendent.

### 2. Formal Procedure

If the Association is the grievant, and the oral discussion fails to resolve the proposed grievance, the Association shall proceed with Step Two of the Grievance Procedure, using the form set forth in Appendix A, which shall be signed by the grievant. If an employee or employees are the grievants, and if the oral discussion fails to resolve the proposed grievance so that the employee or employees elect to pursue the grievance, the following formal Grievance Procedure shall be followed, using the form set forth in Appendix A, which shall be signed by the grievant or grievants. The grievance form shall be available in the principal's office or through the Association.

#### a. Step One

The grievant shall file the signed grievance form with the principal of the building in which the grievance arose within fifteen (15) school days of the alleged occurrence or within fifteen (15) school days of the time when the grievant, in the exercise of due care could reasonably have learned of the alleged occurrence. The grievant shall obtain the signature of the Principal or his/her designee on a copy of the grievance form, which copy shall be filed by the grievant with the Superintendent or his/her designee. In the event that the grievance involves more than one school building, the grievance form may be filed directly with the Superintendent or his/her designee. The grievance form must be dated and state the nature and date of the occurrence giving rise to the grievance, the specific provisions of the Agreement violated, misinterpreted or misapplied and a specific remedy requested. The Principal shall, within ten (10) school days of receipt of the grievance, indicate the disposition of the grievance in writing and a copy thereof shall be delivered to the grievant and to the Association.

#### b. Step Two

If the grievant is not satisfied with the Principal's disposition of the grievance, or if no written disposition was made within the allowed ten (10) school days, a copy of the written grievance and a copy of the Principal's disposition, if any, shall be filed by the grievant with the Superintendent within five (5) school days of said disposition or within fifteen (15) school days of the original filing date, whichever shall be later. Within five (5) school days of the receipt of the grievance, the Superintendent shall meet with the grievant and discuss the grievance. Within ten (10) school days of said meeting, the Superintendent shall have delivered to the grievant and to the Association the written disposition of the grievance.

c. Step Three

If the grievant is not satisfied with the Superintendent's disposition, or if no disposition has been made by the Superintendent within ten (10) school days of the meeting, the grievant and the Association shall meet within five (5) school days of the disposition of the grievance to discuss the merits of submitting the grievance to arbitration. If the Association and the employee determine that the grievance is meritorious, the Association may submit the grievance to arbitration within five (5) school days after said meeting. Within ten (10) school days after written notice to the Board of submission to arbitration, the Board and the Association shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or obtain such a commitment within the specified period, a written request for a list of arbitrators shall be made to the Public Employment Relations Board by either party. The list shall consist of five (5) arbitrators. Within five (5) days of receiving the list, the parties shall meet and shall determine by lot which party shall have the right to remove the first name from the list. Thereafter at said meeting, the party having the right to remove the first name shall do so and the parties shall thereafter alternate in removing names from the list until one name remains. The person whose name remains shall be the arbitrator. The arbitrator so selected shall confer with the representatives of the Board and the Association and hold hearings promptly and shall issue his/her decision not later than fifteen (15) school days from the date of the close of the hearings or, if oral hearings have been waived, then the date the final statements and proofs on the issue are submitted to him/her. The arbitrator's decision shall be in writing and shall set forth his/her findings of fact, reasoning and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law or which is in violation of the terms of this Agreement. The arbitrator shall not amend, modify, nullify, ignore or add to the provisions of the Agreement. The decision of the arbitrator shall be submitted to the Board and the Association and shall be final and binding on the parties. All costs for arbitration shall be borne equally by both parties, with the exception that each party shall be responsible for any costs, including the cost of substitutes for teacher participants, incurred or related to the respective parties' participation in arbitration. Any costs incurred because of a witness' participation in arbitration, including the cost to the school district for providing substitutes for teacher witnesses, shall be borne equally by both parties.

3. Right to Representation

A grievant may be represented at all formal stages of the Grievance Procedure by legal counsel of grievant's choice and by a representative of the Association chosen by the grievant.

4. Meetings and Hearings

All meetings and hearings conducted in the formal steps of the Grievance Procedure shall be conducted in private and shall include only the grievant, the grievant's representatives, the appropriate representatives of the Public Employer, and witnesses called by either party to the meeting or hearing.

5. Year-End Grievance

In the event a grievance is filed at such time that it cannot be processed through all the steps in this Grievance Procedure by the end of the school year, the time limits set forth herein shall be reduced in such fashion so that the Grievance Procedure may be exhausted prior to the end of the school year or within a maximum of thirty (30) days thereafter. The grievant and the Board or its designee may agree to adhere to the time limits set forth in the formal Grievance Procedure in spite of the fact that the procedure cannot be completely processed by the end of the school year.

## **ARTICLE IV USE OF FACILITIES**

The Association and its members shall have the right to make use of school facilities for meetings and equipment, including communications equipment, in non-confidential areas when such facilities and equipment are not otherwise in use. Such use shall be restricted to official Association activities. The Association shall pay for the reasonable cost of all materials and supplies incidental to such use and any additional custodial expenses caused by such use. The Principal of the building shall be notified in advance of the time and place for all meetings.

## **ARTICLE V ACCESS TO MEMBERS**

Duly authorized representatives of the Association shall be permitted to transact official Association business on school property at all reasonable times, provided that this shall not interfere with or interrupt normal school operations. Any person outside the official membership of the bargaining unit shall conduct his or her business before or after the regular workday as outlined in the contract.

## **ARTICLE VI NOTICES**

Whenever any notice is required to be given by either of the parties to this Agreement to the other, pursuant to the provisions of this Agreement, either party shall do so by telegram or letter at the following designated addresses or at such other address as may be designated by a party in written notification to the other party:

1. If by Association, to Board at 1207 First Street West, Independence, Iowa.
2. If by Board, to current ITA president, Independence, Iowa.

## **ARTICLE VII PAYROLL DEDUCTIONS**

### **A. AUTHORIZATION**

Any employee who is a member of the bargaining unit may sign and deliver to the Board a written assignment authorizing payroll deductions of professional dues and authorizing payroll deductions for savings bonds, disability insurance, health and accident insurance policies, cancer insurance and annuities according to applicable rules and regulations set by the IRS and Department of Education. Such an assignment, in order to be effective for the teaching year governed by this Agreement for any such insurances purchased on a group basis, and for deductions of professional dues, must be so filed by September 10 of that teaching year for employees under contract at the commencement of that teaching year. Employees who commence employment after said date must file such an assignment by the 10th day of the month immediately following said commencement of employment in order to have same effective for the remainder of the teaching year governed by this Agreement. Such an assignment for savings bonds, cancer insurance and annuities must be filed by the 10th day of the month in which the first of said deductions is to occur. Any employee wishing to stop any of the deductions provided for in this section must deliver to the Board a written direction to that effect by the 10th day of the first month in which the deduction is to be stopped.

### **B. DUES DEDUCTION**

Pursuant to said written assignment, the Board shall deduct one-tenth (1/10) of total dues from the regular salary check of employee each month for ten (10) months, beginning in September and ending in June of each year. Employees who begin dues deduction after September shall have the total dues prorated on the basis of remaining months of employment through June. For purposes of this Article, the word "dues" does not include the collection of initiation fees, special assessments, back dues, fines or similar items. The Board shall transmit to the Association the total monthly deduction for professional dues within fifteen (15) calendar days after each monthly deduction.

### **C. DURATION**

The written assignment shall continue in effect for the year covered by this Agreement unless revoked in writing by a thirty (30) day notice to the Board on a form provided by the Board. A copy of the revocation shall be delivered to the Association within five (5) calendar days following the filing of said revocation. No such written assignment may be amended or changed to any extent, except for revocation as above, after the initial filing, with the exception of annuities. Any person who has a tax sheltered annuity in effect during the contract year may raise or lower his or her contribution by notifying the Business Office no later than the tenth (10th) day of any month for which he/she wishes to make the change.

#### **D. INDEMNIFICATION**

The Association agrees to indemnify and hold harmless the Board, each individual Board member and all administrators against any claims, costs, suits or other forms of liability and all court costs and attorney fees arising out of the application of the dues deduction portion of the agreement between the parties for payroll deductions.

### **ARTICLE VIII INDIVIDUAL CONTRACTS**

- A. Each employee shall be given a written contract with his/her salary schedule placement for the forthcoming year. Any such contract shall be consistent with the terms and conditions of this Agreement.
- B. Each employee shall be given written notice of his/her tentative assignment for the following school year by May 15 when a change in assignment is anticipated by the district. This notice will include the grade or subject matter and building.

### **ARTICLE IX SEPARABILITY AND SAVINGS CLAUSE**

If any provision of this Agreement or any application of this Agreement to any employee or group of employees is held to be contrary to law, then such provision or application shall not be deemed valid and subsisting, except to the extent permitted by law. The Board and the Association shall meet and attempt to agree on a replacement provision to replace that deemed invalid and not subsisting, but shall be under no binding obligation to reach agreement thereon, and any failure so to agree shall not amount to an impasse so as to require implementation of an impasse procedure in the law or in any agreement between the parties. All other provisions or applications of this Agreement shall continue in full force and effect.

### **ARTICLE X DURATION**

This Agreement shall be effective as of July 1, 2012, and shall remain in effect until June 30, 2013. Either party to this Agreement may notify the other party in writing of any provisions of this Agreement that said party wishes to amend or modify and any deletions or additions thereto which said party wishes to enter negotiations in the coming contract period. This Agreement shall automatically continue in force and effect for an equivalent duration period for any items not specifically included in said notice.

## **ARTICLE XI WAGES AND SALARIES**

### **A. SCHEDULE**

The salary of each employee covered by the regular salary schedule is set forth in Appendix B, which is attached hereto and made a part hereof.

### **B. PLACEMENT ON SALARY SCHEDULE**

#### **1. Adjustments to Salary Schedule**

Each employee shall be placed on his/her proper step of the salary schedule as of September 1 of the contract year, and in accordance with Paragraph 2 below. Any employee who has taught at least one (1) semester plus one (1) day at the Independence Community School District or any other school district shall be given full credit for one (1) year of service toward the next increment step for the following year.

#### **2. Credit for Experience**

Experience credit earned in other school systems shall be recognized on the salary schedule at full value up to eight (8) years. Any further credit for experience will be granted at the discretion of the Superintendent with the approval of the Board. This paragraph shall not operate retroactively to alter the salary schedule placement of any presently employed teacher.

#### **3. Returning to the District**

Any employee with previous teaching experience in the Independence Community School District shall upon returning to the system receive full credit on the salary schedule for outside teaching experience and teaching experience within the Independence Community School District according to the provisions of Paragraph 2, provided, however, that total credit for teaching experience both within and without the Independence Community School District shall not exceed eight (8) years.

### **C. ADVANCEMENTS ON SALARY SCHEDULE**

#### **1. Increments**

Employees on the regular salary schedule shall be granted one (1) increment or vertical step on the schedule for each year of service until the maximum for their educational classification is reached. A year of service consists of employment in the Independence Community School District for one (1) semester and one (1) day or more in one (1) school year.

#### **2. Educational Lanes**

Employees on the regular salary schedule who move from one educational lane to a higher educational lane shall move to the corresponding eligible step on the higher lane. Graduate courses used to advance an employee on the salary schedule must receive approval by the Board or its designee that the course or courses are germane to

his/her teaching assignment or leading to an advanced degree. It is required that, before an employee enrolls in a course or courses, he/she seek written approval from the Board (Appendix D) or its designee that the course(s) will be approved. Employees who wish to move to a higher educational lane must file a Lane Change Intent Form (Appendix E ) with the district office by March 15<sup>th</sup> of the preceding school year. Employees must file original transcripts by September 1<sup>st</sup> of the school year to be affected by the advance, except in situations where coursework has been completed but grades have not yet been filed by the educational institution. If no transcripts are available, the employee shall provide the district office an official letter from the college registrar or professor indicating completion. If applicable, pay adjustments shall be adjusted beginning with the September paycheck for said year.

### 3. Career Increment

A career employee will receive additional compensation at the rate of Five-Hundred Dollars (\$500.00) for each of the following career steps: 16<sup>th</sup>, 18<sup>th</sup>, 21<sup>st</sup>, 25<sup>th</sup>, 28<sup>th</sup> and 31<sup>st</sup>. At each level, 16<sup>th</sup>, 18<sup>th</sup>, 21<sup>st</sup>, 25<sup>th</sup>, 28<sup>th</sup> and 31<sup>st</sup>, the additional \$500.00 will be added and remain a part of the salary.

## D. METHOD OF PAYMENT

### 1. Pay Periods

Each employee shall be paid in twelve (12) equal installments on the 20<sup>th</sup> day of each month. Employees shall receive their check at their regular building on regular school days. Those employed on the supplemental schedule may make other arrangements that are mutually satisfactory to the involved parties.

### 2. Exceptions

When a pay date falls on or during a school holiday, vacation or weekend, employees shall receive their paychecks on the last previous working day.

### 3. Summer Checks

Summer checks, other than for summer school teachers, shall be mailed to the address designated by the employee in writing.

### 4. Direct Deposit

Direct deposit is mandatory for all new employees to have their checks deposited in the bank of their choice.

## E. GRANT PAY

Employees who volunteer to work on Planning Grants or on the Implementation Phase of a grant shall be compensated at a rate equal to 105% of the average teacher's hourly rate. This rate is to be determined by taking total teachers' salaries, plus career increments, divided by staff full time equivalent (FTE) divided by one-hundred eighty-seven (187) divided by eight (8). Average salary shall be determined by the third Friday of September for the contract year. This agreement is for work performed under competitive grants with the work taking place outside of the regularly scheduled day.

This grant work shall always be voluntary. There shall be no discrimination against any employee who refuses grant funded work. Participation or nonparticipation in grant funded work shall not be a part of any employee's evaluation.

The ITA's intent on compromising their belief in pay based on an employee's per diem rate acknowledges the administrative difficulty in projecting salary costs in these uniquely funded situations, but in no way alters the belief that pay should be based on an individual's per diem rate.

## **ARTICLE XII SUPPLEMENTAL PAY**

### **A. EXTRA-CURRICULAR ACTIVITIES**

1. Employees contracting to perform extra-curricular activities shall be compensated according to the rates of pay in Appendix C, which is attached hereto and made a part hereof. Each employee shall be placed on his/her proper step of the supplementary schedule as of September 1 of the contract year. All Independence Community School District teachers shall have their step determined by years of experience credited on the salary schedule. All others employed for supplementary activities shall have their step determined by the number of years of experience they have in the activity they are sponsoring or coaching. However, if the position has been offered through customary district procedures to all qualified and certified members of the staff and still remains vacant, the District may employ another person at such step as is necessary to secure services.
2. Each employee will be required to work one (1) extra duty event each academic year and will receive a complimentary family activity pass. Extra duty events may include, but are not limited to, ticket taking at events, chaperoning school dances, assistance at fine arts activities for which the employee is not an instructor/sponsor or an event worker at activities that require additional workers. These assignments will be managed through the Activities Director. Employees shall have the opportunity to select the extra duty event required under this section. If an employee chooses not to select an event, one shall be assigned to them by the Activities Director.
3. This district will provide the opportunity for staff members to volunteer for uncompensated after-school activities.

### **B. SUBSTITUTION BY EMPLOYEES**

In the event that a regular substitute is not available, employees who volunteer may be used as substitutes. In the absence of volunteers, the building principal shall assign an employee to serve as substitute. Substitutes will be paid \$30.00 (thirty dollars) per class period for teaching classes during their planning time.

### C. TRAVEL EXPENSE

Employees assigned to more than one school during the in-school work day shall be reimbursed for all such travel after arrival at the first assigned location at the beginning of the in-school work day and before departure from the last scheduled location at the end of the in-school work day, as same has been approved by the Principal, at the board approved rate. Employees assigned by the Board or its designee to field trips or other business of the District requiring travel in the employee's car shall be reimbursed at the board approved rate per mile for all such travel approved by the Board or its designee.

### D. SATURDAY IN-SCHOOL SUSPENSION

Supervision for Saturday in-school suspension shall be paid at the rate of TWENTY DOLLARS (\$20.00) per hour.

### E. CURRICULUM PAY

Employees who volunteer to work on the SIAC or SAC shall be compensated at the hourly rate of BA step 0 when such work day takes place outside the regular contract year or outside the contract day. The district shall estimate a schedule for such work.

### F. OPEN HOUSES/PROGRAMS

Employees who are required to be in attendance at open houses or music programs outside of the regular employee workday and who are not otherwise compensated for their time shall be compensated at the hourly rate of BA step 0 when such work takes place outside the regular contract year or outside the contract day.

The employee shall be responsible for the remainder of any premiums for such coverage. Coverage shall be for the duration of employment. The Board shall have the right to choose the carrier for the above coverage. Employees shall be covered, if application is made timely, on the first of the month following the initial day of employment. Coverage shall continue through September 30 of the contract year for those employees who resign effective after the completion of their contract year. At the conclusion of the Board's contribution, medical insurance benefits may be continued (at the employee's expense) subject to the conditions and regulations of the carrier.

All employees shall be granted leave for personal illness, injury, or medical appointments which cannot be scheduled outside of the work day as set forth in Article XVIII (Employee Hours), with full pay at the rate of fifteen (15) days per year beginning with the first official day of the work year whether or not the employee reports for duty on that day. The employee shall provide, upon request from the District, reasonable verification of illness and/or medical appointments as per the current law.

5. Use of Bank Leave Days. Use of sick leave bank days will be on a daily basis; e.g., each eligible employee will draw each day until the total leave bank days have been exhausted. #### D. JURY DUTY

Coursework taken must be directly related to the completion of an advanced degree in the field of education or the employee's subject area of expertise and must be a course that is not offered at any other time. The request for career development leave shall be made in writing to the Superintendent. The Superintendent reserves the right to limit the number of employees granted career development leave at any one time, and this decision shall not be grievable. Career development leave shall not exceed one hundred twenty (120) minutes per day and shall not exceed one (1) semester per year per employee. Any costs associated with said leave, including any substitute costs, shall be paid by the employee.

## G. PROFESSIONAL DEVELOPMENT LEAVE

The Superintendent reserves the right to deny this leave or to limit the number of employees granted professional development leave at any one time, and this decision shall not be grievable.

## H. GOOD CAUSE

Whenever the leave that is available to an employee under this Article is exhausted or where a situation is not covered by a provision of this Article, the Superintendent may grant leave with pay, without pay, or with the employee reimbursing the District for the cost of the substitute, for good cause shown. ## **ARTICLE XX**

### **EMPLOYEE EVALUATION PROCECURES**

#### **A. INTRODUCTION**

The Formal Evaluation Procedure shall be for the general purpose of improving the general education program and shall include as one of the purposes thereof the improvement of the performance of the employee being evaluated.

#### **B. ORIENTATION PROCEDURES**

1. For those teachers developing Individual Career Development plans, orientation to the procedure shall be conducted within the first three weeks of the regular school year by a competent, State of Iowa evaluator certified district administrator of the Independence Community School District.
2. For those teachers completing Performance Reviews, orientation to the procedure shall be conducted by September 15 by a competent, State of Iowa evaluator certified administrator of the Independence Community School.

#### **C. INDIVIDUAL CAREER DEVELOPMENT PLANS**

1. Each teacher shall draft an individual development plan based upon the teacher's needs aligned to the Iowa teaching standards as determined by the teacher and administrator as well as the district/building student achievement goals by October 15 of the school year following the conclusion of his/her previous plan. The plan may be 1, 2, or 3 years in length and must contain yearly measurable outcomes.
2. The principal will meet with the teacher to review the plan, jointly modify the plan as needed, and approve the plan within twenty (20) school days of its submission. Both the teacher and principal will have a copy of the plan.
3. Modification of the plan can be made at any time by mutual agreement. The teacher and the principal shall sign and date the modification.
4. The principal and the teacher shall establish a mutually agreed upon time for an

annual conference to review progress in meeting the goal(s) in the plan. At the conclusion of the meeting a copy of the Annual Update shall be signed and dated prior to being placed in the teacher's personnel file.

#### D. PERFORMANCE REVIEW

1. Each career teacher shall have a performance review based on the Iowa Teaching Standards once every three (3) years. When a teacher is assigned to more than one building, the teacher shall be assigned one (1) principal. A Performance Review may include but is not limited to classroom observations, walk-throughs, and a summative conference.
2. The principal shall contact the teacher to establish a mutually agreed upon time to discuss the Performance Review.
3. Formal Classroom Observations
  - a. No formal observations will occur in the first three (3) weeks or the last ten (10) student days of the year. No formal observations shall be conducted the day before or after a day of vacation. Formal observations shall be for a continuous length of time no shorter than thirty (30) minutes or longer than ninety (90) minutes.
  - b. During the school year of the teacher's performance review, the principal and teacher shall mutually agree upon dates for a pre-conference, observation and post-conference. The post-conference must be no later than ten (10) days following the observation.
  - c. The principal's written observation comments shall be reviewed at the post-conference. The principal shall sign and date the comments. The teachers shall sign as having been given the opportunity to review the comments and date the comment sheet. The teacher's signature does not necessarily mean agreement with the comments. The teacher shall be provided a copy of the observation comments.
4. Summative Conference
  - a. The principal shall complete the Performance Review and arrange a mutually agreed upon date with the teacher to discuss the review. The principal shall provide the teacher with a copy of the completed Performance Review.
  - b. A teacher and principal may begin discussion of future career goals that might be included in the next career development plan. This conference can be included as part of the post-observation conference in situations when the principal has no major concerns regarding the teacher's performance. Both the principal and the teacher shall sign and date the review.
  - c. If a principal indicates that the teacher is not meeting the expectations of the Iowa Teaching Standards, then those standards not being met must be identified, in writing and be provided to the teacher. Both the principal and the teacher

shall sign and date the review. The teacher's signature does not necessarily indicate agreement. The teacher shall have the right to provide a written response to this review including a designation as to where the evaluation is unfair, unjust or inaccurate. A Support Plan shall then be created that focuses on the Iowa Teaching Standards not being met and a new performance review shall be held at a mutually agreed upon time within the next six (6) to twelve (12) months, following the Teacher Support procedures.

5. At any time a teacher can be placed on a teacher support plan if it is determined that they are not meeting one or more of the Iowa Teaching Standards.

## E. TEACHER SUPPORT PROCEDURES

The procedures identified within this section are meant to provide a structure process for teachers who have been identified as needing support. A Support Plan will be at least six (6) months in length, but no more than twelve (12) months.
2. Support Procedures
  - a. The support procedures will begin with a formal meeting between the teacher and the principal. During this meeting, the principal will present a plan of support which will convey to the teacher, in writing the specific behaviors that do not meet the Iowa Teaching Standards, actions the teacher should complete for the purpose of improving performance identified as unsatisfactory, a timeline for completion of those actions, and any additional supports the principal or district may provide.
  - b. At the request of the teacher a mentor(s) shall be provided. Participation as a mentor shall be voluntary. The principal and the teacher shall mutually select the mentor(s).
  - c. The role of the mentor(s) is to use data and information provided by the principal and the teacher to assist in developing a planned approach to help the teacher meet the Iowa Teaching Standards. Strict confidentiality will be maintained by the mentor(s). Observations and comments made by the mentor(s) are not reported to the principal, and do not become part of the teacher's evaluation. The support provided is targeted solely at helping the teacher improve his or her performance in relation to the Iowa Teaching Standards.
  - d. After the Support Plan has been completed, or upon receipt of a written request from a teacher to discontinue the process, the principal shall make one of the following recommendations.
    1. Concern resolved.
    2. Concern not resolved, the teacher will be placed on an intensive assistance plan for a period no less than 2 months and no longer than 6 months.

- e. The teacher may have a representative present at any meeting involving the performance review or other evaluation.

## **ARTICLE XXI PERSONNEL FILE**

### **A. ACCESS**

Each employee in the presence of the Superintendent, the Superintendent's designee or the building principal shall have the right during normal business hours to review the non-confidential contents of his/her personnel file as maintained by the Board and the building principal. The Board shall make the final determination as to which matter is confidential and which matter is non-confidential, but, the foregoing notwithstanding, the contents of the personnel file originated by the Board, the Superintendent and other local administrative personnel shall not be defined by the Board as confidential contents. A representative of the Association or the employee's legal representative may, at the employee's request only, accompany the employee in this review. The employee shall have the right to reproduce any of the non-confidential contents of the employee's file in the presence of the Superintendent, the Superintendent's designee or the building principal.

### **B. NOTIFICATION OF ADDITIONS TO THE FILE**

In the event that material is placed in the employee's personnel file, other than the results of formal evaluation, the employee shall be notified in writing that material has been placed in his/her personnel file without any specific definition or description of the material placed therein.

### **C. CONTENTS OF PERSONNEL FILE**

The Board and the Board's designee shall have the sole and final determination as to the information or material that may be placed or retained in the employee's personnel file, subject to the requirements of A above as to written responses by employees and to the requirements of Employee Evaluation Procedure as to written responses by employees.

## **ARTICLE XXII VOLUNTARY TRANSFER PROCEDURE**

Requests for change or transfer in grade or subject assignment or building or classroom shall be filed with the Superintendent in writing on the form provided by the Board. Requests for change or transfer may be filed at any time during the fiscal year covered by this agreement.

The Superintendent or Superintendent's designee shall post all known vacancies which occur during the remaining fiscal year defining the subject area, grade, class and building of said vacancies. As to vacancies which arise during vacations the Superintendent shall notify the Association, which shall assume responsibility for notifying its members. Request for change or transfer filed during the previous fiscal year shall not be considered for vacancies occurring during this fiscal year unless refiled in the current fiscal year.

The Board shall defer action as to each posted vacancy until after the period of five (5) school days has elapsed after the posting, except in cases where the vacancy actually occurs prior to the end of said five (5) day period. The action of the Board as to each posted vacancy shall likewise be posted in each building.

### **ARTICLE XXIII INVOLUNTARY TRANSFER PROCEDURE**

In the event that the Board has determined that a vacancy shall be filled by a transfer of an employee other than from a request on file pursuant to Voluntary Transfer Procedure in Article XXII, or in the event that the Board shall determine that any other change or transfer in grade or subject assignment or building or classroom is necessary, the Board shall notify the transferee of its intended action within three (3) calendar days of its decision. Thereafter, the transferee, may within three (3) working days, request in writing a hearing before the Board. If a hearing is requested, it shall be held prior to any final action by the Board on the transfer. The decision of the Board after said hearing shall be final. Involuntary transfers shall not be made for wholly arbitrary and wholly capricious reasons. Should any grievance ever be pursued to arbitration under this paragraph, the authority of the arbitrator shall be limited to deciding only whether there was lacking any non-arbitrary, non-capricious rationale for the transfer, and the arbitrator shall not be empowered to order any remedy should he/she find any such rationale not to exist.

### **ARTICLE XXIV STAFF REDUCTION**

#### **A. COVERAGE**

All certified staff members shall be subject to this Article.

#### **B. NOTIFICATION**

1. When the Board of Education has determined that a staff reduction is necessary, it will notify the Association and the affected employee in writing of the position(s) to be affected by April 30. This notification may be delivered in person by the Superintendent, his/her building principal or by certified mail.

2. Reductions due to attrition shall be considered first when contemplating staff reduction.

#### C. PROCEDURE

1. When a position is to be eliminated, the Board shall give notification of termination in the following category:

2. An employee who is to be terminated pursuant to this Article will have the right to recall; however, prior to said recall, the Superintendent and the Board shall first conduct the Voluntary Transfer Procedure set forth in Article XXII and shall have the right to implement the Involuntary Transfer Procedures set forth in Article XXIII.

#### D. SENIORITY

1. For the purpose of this Article, all employees hired in the Independence Community School District will have their seniority computed from their most recent date of hire in the district.

When two or more employees have the same Board date of hire in the District, the following procedure will be used to determine seniority:

1. The employee meeting the most teaching standards as defined by the State of Iowa and subject to Article XX.
  2. The employee with the earliest date/time stamp on his/her original contract. For all contracts prior to July 1, 2011 the signed date on their contract will be used for seniority.
  3. If seniority can still not be determined lots will be drawn.
2. Seniority will continue to accrue during all paid leaves of absence. Seniority will not be broken by unpaid leaves or absence, but such time will not be counted in computing seniority.
  3. No later than September 30 of each year, the Superintendent or his/her designee will provide the Association with a list showing the seniority of each employee employed by the Board, their area(s) of certification as indicated by their teaching certificate, and will, thereafter, notify the Association of any changes in said list on or before the following dates: January 15, April 15.

4. With regards to supplemental contracts, those persons employed by the Independence Community School District as a certified staff member shall be considered tenured over those persons not employed as a certified staff member by the Independence Community School District.

#### E. RECALL

1. If there is a teaching vacancy in the Independence Community School District, employees terminated pursuant to this Article whose certificate certifies them to perform the work in question will be recalled in the order of the person with the most seniority being recalled first.
2. Notice of recall will be given in person via hand delivery or by certified mail to the last address given to the Board by the employee. A copy of the notice of recall will be given to the Association. An employee must respond by certified mail which must be postmarked within five (5) calendar days after receipt of the above notice of recall. Upon failure to reply, the employee will be deemed to have refused the position offered and shall be dropped from the recall list.
3. The recall list shall remain active and in force for two (2) years from the effective date of termination with notification. Such notification shall be given by certified mail.
4. Employees terminated pursuant to this Article shall receive no insurance benefits at Board expense during that status, but may elect to continue insurance benefits by paying the premiums themselves, directly to the carrier, contingent upon approval of aid procedures by the respective insurance carriers.
5. All benefits to which an employee was entitled at the time of their layoff, including seniority, will be restored to the employee upon their return to active employment and the employee will be placed on the proper step of the salary schedule for the employee's current position according to the employee's experience in the District and education. Additionally, the employee shall have their sick leave accumulation restored.
