ATTENTION!

Do you know someone who would like a pink and black quilt? They need to be a breast cancer survivor or someone who is currently undergoing breast cancer treatment. Last spring a group of Fashion and Fabrics II students designed and created a black and pink breast cancer awareness quilt with the intention of giving the quilt away. That is where you come in. They need help finding possible recipients. If you know of someone who would enjoy the quilt, please write 1-2 paragraphs on why you think they would appreciate this quilt. Know that it is made with a lot of love and attention to detail. Give your paragraph to Mrs. Nennig or to the high school office. Be sure to include your name and contact information. The students who created the quilt are Taryn Tarpy, Amanda Shonk, Natasha Heister, and Carly Hersom. Please have nominees turned in by November 4. The decision will be made by November 15th. The quilt is on display in the junior-senior high library!

MUSTANG T-SHIRTS WANTED:

Students, we need your help! Do you have any Mustang t-shirts you would be willing to donate to a good cause. We are going to be putting together 3 different quilts to be raffled off using the banners that have been signed by students and staff. All shirts are welcome, but we would like to stay away from spandex/jersey material. These can be delivered to Mrs. Bahr in the library.
