Because we are a veteran's organization, we wish to assist a student who is a family member of a service member/former service member with this scholarship. When applying for this scholarship we ask that you the student answer the questions as thoroughly as possible. Although this is not an essay contest the better you represent yourself in your answers, the greater the chance of you being awarded the scholarship. If the space allotted on this form is too confining, please feel free to attach additional pertinent information.

Describe your work experience. Include any volunteer experience. What you've learned from it and how does that fit into your future goals.

List all school activities in which you participated during the past 4 years.

Do you have family members (parent, grandparent, aunt/uncle or siblings who have served in the military? When and where did they serve? What branch of the military were they in?

After graduation what are your plans? Tell us about them. (college? military? occupation? or other?

Thank you for applying.
